MEMORANDUM FOR: Director of Security

SUBJECT : Indebtedness of [REDACTED] 25X1A2E

The attached report was forwarded to us for our recommendation concerning further attempts to collect [REDACTED] indebtedness to the Government. The report contains references to instructions from the Security Office and to "security restrictions imposed in this case." For this reason, we would appreciate your instructions concerning the degree of pressure we may exert by way of lawsuit or otherwise. As is usually the case in these collection matters, our answer as to theoretical legal remedies must be preceded by the practicalities of security.
